HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

**H**IS Excellency the Administrator in Council is pleased to order that the regulations for the survey, administration, disposal, and management of Dominion Lands within the Forty-mile Belt in the Province of British Columbia be amended as follows and the same are hereby so amended, accordingly, viz.:—

Section 13 is amended by adding subsections (c), (d), and (e),—

(c.) *Small Holdings*.—The Minister may grant homestead entries to eligible applicants for vacant and available lands in areas not exceeding a legal subdivision of forty acres, more or less, or for such other areas less than one hundred and sixty acres as in his opinion it is expedient that the particular locality or parcels of land affected should be disposed of in the public interest or for the purpose of the settlement of disputes of conflicting claimants or for any other special reason.

(2.) The Minister may, in the case of lands deemed to be specially valuable, dispose of same in such areas and on such terms and conditions as to price and settlement duties as he may see fit; or may dispose of same at public auction in such areas and at such upset prices and such further terms and conditions as he may see fit.

(d.) *Right of Entry.* Any person who has secured entry in the Railway Belt for less than a quarter section of Dominion lands may after approval of patent therefor again make entry as provided and after approval of patent in connection with the latter may make another entry, and so on. The right of homestead entry shall be deemed to include conditional purchase homesteads, and no person shall be permitted to acquire Dominion land in the Railway Belt under entry either as free homesteads or conditional purchase homesteads or both, amounting in the aggregate to more than the area of a quarter section.

(e.) *Conditional Purchase Homesteads.*—The Minister may grant entry to eligible applicants for areas not exceeding forty acres, more or less, as conditional purchase homesteads and may at his discretion apply this privilege only to alternate legal subdivisions of the parcels or tracts of land affected.

(2.) The entrant in such case shall pay for the land entered for at the rate of five dollars per acre, payable one-fifth in cash at the time of entry and the balance in four equal annual instalments, with interest at five per cent. per annum on the amounts unpaid, at the end of each year from the date of entry.

(3.) Cultivation duties upon the land entered for shall be required during each of five years after the date of entry or commencement of duties. Such entrant shall become entitled to patent after the expiration of the said five years, if the purchase price and interest have been paid in full and the residence condition fulfilled; provided that eight acres of the land entered for have been thoroughly cleared and stumped and cultivated, and an additional eight acres rough-cleared and seeded to grass or otherwise cultivated between the stumps.

(4.) Such entrant shall be required to reside on the land for at least six months during the last year of earning patent in a house which at time of application for patent must be worth at least three hundred dollars.

(5.) An entry for a conditional purchase homestead may be cancelled for failure to comply with any of the above conditions or for failure to perform a reasonable amount of cultivation duties during any one year before issue of patent.

(6.) An entrant shall not hold an entry for a homestead and for a conditional purchase homestead at the same time. An entrant for a conditional purchase homestead shall not be permitted to assign or transfer his right thereto before issue of patent.

The Minister may vary the forms in the schedule to the said regulations or amendments thereto and may adopt any new form that may be necessary.
